

Safety Committee Meeting 11/15/17  
7:30 am – 8:00 am

Safety Committee Members Present: Jeff Hardesty, Omar Montejano, Jamie Mikelson, Nathan Shirley, and Steve Thompson.

Minutes from previous meeting handed out and read. Minutes were approved .

Safety Tip – Earthquake drills and Cold Weather Alerts/Ice Management have been emailed to everyone on Tuesday.  
Ice management on weekends & during events was discussed.

There were no new injuries/incidents to report this month.

Items referred to Administration with recommendations.  
Snow removal/disposal plus the addition of a plan for snow removal on the sidewalks for the new load and unloading zone at the Elementary.

Each building will need to have access to ice melt for staff to use to aide in the removal of ice/snow hazards.

Principals: Reminder to staff about what doors staff members need to use when entering and exiting on snow days.

Next safety meeting date is set for December13, at 7:30 am, in the district office
