

Safety Committee Meeting 4/13/18

Safety Committee Members Present: Jeff Hardesty, James Bretz, Steve Thompson, Omar Montejano, and Caryn McNair.

7:30 am – 8:15 am

1. The committee reviewed the minutes from the meeting on February 14th. The committee approved the minutes from the previous meeting.

2. Review:

Injuries - There were two new incidents since the last meeting. Both incidents were reviewed and the concerns were fixed. Trash cans with a dolly were ordered.

Safety Hazards – Facilities Committee reviewed the possibility of getting locks on the inside doors of the buildings. Maybe getting a button or buzzer on the doors to release the doors.

Safety Concerns – Back of the High School at the end of the day, we need to keep students off the road while the bus driver's are pulling up to pick up students. More coverage with staff .

3. Items referred to Administration

Bus Garage – Signs needed that only authorized personnel permitted and please check in at the office signs are needed. Signs will be ordered.

4. Radios – The application for use of frequency was denied by Canada. We are applying for a different frequency and more channels to use for the radios.

5. Next Committee Activities

Facilities Committee is looking and working to improve the parking area for staff and students.

Next meeting – May 11th at 7:30am in the district office.
